Store in a cool dry place, away from sunlight, strong odours & chemicals.

This is 500ml of naturally filtered spring water from a freshwater aquifer, deep beneath Magheramorne on the North Coast of Ireland. But it's not just our source that makes us different.

Social responsibility is at the heart of Clearer Water; we employ a mixed ability workforce & produce traceable, ethical, premium bottled water. This bottle is 100% recyclable.
