**Product Marketing**

The Laughing Cow® Original triangles are mild, smooth and deliciously tasty portions of creamy cheese spread. Founded in France over 100 years ago with its iconic creamy and smooth texture, we are proud to say that The Laughing Cow® was the first cheese spread to be individually served in foil sealed portions to stay fresher for longer and to help reduce food waste.

With their super convenient format, you can take them anywhere with you, and eat them on the go: they are ideal as a little cheeky snack or spread on toast or a cracker. They are also perfect for cooking, and will make any dish so delicious and creamy! They are a good source of calcium and protein and contain no added artificial flavours, colours, preservatives.
